A warm welcome to you from everyone at the Children and Family Wellbeing Service in Lancashire County Council.

Our service is here to provide early help on a whole range of issues affecting you and your family. In other words, offering you the right help, in the right place, at the right time.

Our staff are skilled and committed to understanding your needs and identifying with you the right support to help you achieve your goals. Key workers can work with you on an individual basis offering a more tailored and targeted response and through our community based centres and outreach programmes, outreach workers offer a range of groups and drop in services to meet a range of needs. We work in partnership with other agencies in our community based centres, to ensure we can bring together the right support for you in your local area.

Our 'What's on guide' aims to keep you as up to date as possible about what we can offer you and includes information on what specific groups and services are available at your nearest centre, in your local community.

If you need further information or support, you can contact using the information listed in the '**Key Contacts**' section of this guide.
