

Year: Three

Term: Autumn 2

English

This term in English we will be using the Lancashire Talk writing unit – Green Children. We will be reading the legend of the Green Children and texts such as The Green Child and the Night Gardener to create stories, poems and non-fiction writing.

Religious Education

Our unit this term is called Christmas, God With Us. Children will read the Christmas story and identify God’s presence with people throughout it. Children will also read the traditional story, Papa Panov and look at the presence of Jesus throughout the story.

Key Vocabulary:

- climate
- climate zone
- compass points
- direction
- drifting ice
- hemisphere
- ice sheet
- ice shelf
- iceberg
- lines of latitude
- lines of longitude
- treaty
- omnivore
- carnivore
- herbivore
- diet
- molar
- canine

Science

In Science lessons children will learn about animals including humans. We will learn what different animals eat and investigate how diet affects growth and health.

Who Lives in Antarctica?

Children will identify the different climate zones in the planet and learn how to use lines of longitude and latitude to find locations. They will learn about the human features of Antarctica and the voyage of Shackleton.

Mathematics

In Maths lessons children will continue working on numbers to 1000. They will investigate how numbers are made and additive structures

Art

In Art lessons, children will learn about the life and work of Henri Matisse. They will learn about how he created art using scissors and they will investigate famous paintings and use them to create their own art based on Matisse.
